## INTRODUCTION

In pursuance of the National Action Plan of the National Assessment and Accreditation Council (NAAC), Bangalore, for performance evaluation, assessment and accreditation and quality upgradation of institutions of higher education, the NAAC proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of an institutions system and work towards realizing the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance of institutions. The IQAC will make a significant and meaningful contribution in the accreditation phase of institutions. During the accreditation period, the IQAC will channelize the efforts and measures of an institution towards academic excellence.
