ABOUT COLLEGE

Teacher education is an important aspect of the entire education system. It has to meet the aspirations of the Nation in global dimensions. In Rajasthan, teacher education is flowering day by day. It is a well recognized and well established discipline and has its own identity in the state of Rajasthan in comparison to any other state of the country. The state universities - University of Rajasthan (Jaipur), M.D.S. University (Ajmer), Bikaner University (Bikaner), Jai Narayan Vyas University (Jodhpur), Kota University (Kota) offer the teacher education programme through Departments, affiliated Colleges and Department of Distance Education. Different teacher education courses i.e. M.Ed., B.Ed. and D.Ed. are popular and in great demand in Rajasthan.

The B.Ed. is secondary teacher education programme and it's regulated by the state universities- Rajasthan University (Jaipur), M.D.S. University (Ajmer), Bikaner University (Bikaner), Jai Narayan Vyas University (Jodhpur), Kota University (Kota) for all affiliated colleges of education in Rajasthan. These regulatory and affiliating universities ensure that the norms, rules and guidelines provided by the NCTE, State Government and Department of Higher Education, Rajasthan are implemented by all the colleges of education. The admission criteria, procedure, fees, reservation policy, curriculum, recruitment of the faculty and all the essential amenities are followed by all the regulated by the affiliating universities for most of the academic and

administrative activities. There are 38 Government and Aided and more than 650 Self Financing Institutions for secondary teacher education in Rajasthan. The teacher educators for B.Ed. course are prepared by offering M.Ed. /M.A. Education courses through the state universities in department of education, government and aided colleges and self financing post graduate colleges of education. The admission to the- B.Ed. course is given on the basis of merit of entrance test scores. The reservation policy and fee structure prescribed by the state government are exercised by the concerned university.

In brief, it can be said that there is a systematic, well regulated and properly monitored teacher education programme in the state of Rajasthan. As a significant increase in the number of self financing secondary teacher education institutions has come up in the state, there is great deficit of well qualified and trained teacher educators in Rajasthan. Even then the quality of teacher education programmes is enhanced and sustained by the honest efforts of state government, universities and particularly those Self Financing and other Government and Aided Institutions that are quality conscious. Needless to say that the proliferation of institution in any field does lead to cropping up of some problems and issues that demand constant vigil and redressal.

AIMS & OBJECTIVES

MISSION

- **4**Serving the humanity.
- To prepare the teacher capable of responding the global social demands and meeting the challenges in Education.
- To address the teaching learning process with ICT and value embedded education in the context of modernization and social change.
- To address to the ever emerging issues and problems of school and teacher education and discover the remedial measures.
- ^⁴To ensure the contribution of all stakeholders in the all pervasive sustainable development of the society.

OBJECTIVE

- To recognize, promote and develop the capabilities and universal values in the student teachers needed for cohesion and welfare of society and nation.
- To make aware, inspire and enable the student teachers to integrate the ICT with ancient Indian educational philosophy for a quality academic environment.
- To stimulate, educate and enable the student teachers for excellence in teaching, learning, research and innovation.

- To develop attitude, competence and core skills essential to teaching learning process among the student teacher
- To encourage the students teachers to derive an everlasting capacity of realizing and executing their roles and responsibilities in learning holistic development.
- ⁺To provide an enthusiastic, motivating, inspiring and equally accessible teaching − learning environment, conductive to the professional growth of teacher education and student teacher.

VISION

"To become the centre of academic excellence in the area of teacher Education programme by providing quality teacher Education programme at par with the national and international standards to the rural youth inculcating in them our culture, heritage and values along with complete education."

SCIENCE & MATHS RESOURCE CENTRE

A well equipped spacious Laboratory with working model to develop a scientific tempest charts and specimen. The lab is child friendly and provides a conductive environment. It performs experiment and work on projects. Modern well ventilated laboratory provided with safety device. A child friendly Lab. All experiment & Project work monitored by subject expertss

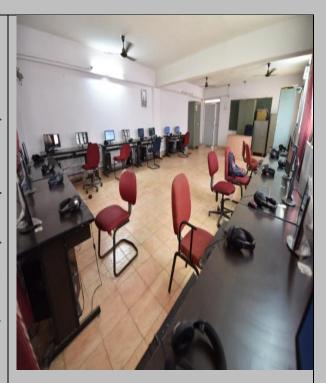

PSYCHOLOGY-LABORATORY

A psychologist is available to students for consultation on career as problems like lack of confidence, lack of concentration etc. Students can talk to the psychologist without any hesitation and discuss their problems. It consist of various study material for different psychological test

COMPUTER-LABORATORY

Today's era is computer era. We all know the importance of computers in our daily life. Almost all the departments are working with the help of computers. A well equipped computer lab with facility of internet is available for the students to make them eligible to handle the computer for their technical development

LANGUAGE-LABORATORY

We Have well established state at art Language Lab. Where student's progress 15 monitored by the language teachers. The students are guided individual and are encouraged listen to Indian and forging media so as to improve upon their pronunciation, and diction.

E-T-LABORATORY

The educational technology lab is well equipped with all types of multimedia equipments standing from epidiascope to LCD projector, the lab is recently upgraded with the interactive device with which normal bored can be converted into a touch screen. The aspirant teachers are trained to use the multimedia to the smallest hence they can be effective in the class room.

LIBRARY

The library is well equipped to meet and fulfill the requirements of the researcher in all fields of Education. Latest books available on the ever-progressing fields of education such Management, Educational Educational Psychology as well Educational Technology. Periodicals & **Journals** Educational Research are subscribed. The college has a computer laboratory, wherein the computers with Internet facility available for pursuing are research work. Some of the research books, periodicals & journals available in the college library are: Research Books

ART & CRAFT RESOURCE CENTRE

Moulds of chalk and candle making, equipments for gardening, tables. drawing material, charts, scale, brushes, and other stationary colors' material are present in the lab. The provision for making best out of waste, rangoli and flower arrangement also made is available

HEALTH & PHYSICAL RESOURCE CENTRE

Sound mind in a sound body. Outdoor games are also thought the trainees make to the games. familiarize about Teachers with specialization are employed to teach the game with pro per rules and regulation. The trainees learn to play badminton, basket volley ball, ball. Along with this they are also involved in indoor and outdoor activities like painting, paper folding, art and craft and rock climbing, rifle shooting.

INTERNAL ASSESSMENT SCHEME

S.No.	Particulas	Internal Marks (Per Annum)
1	Micro Teaching (5 skills) (Each Skill of 2 Marks)	10 Marks
2	Regular Practice Teaching (Lesson 20 Per year)	50 Marks
3	Criticism Lesson	20 Marks
4	Observation :-	5 Marks
5	Teaching Aids	5 Marks
6	Practical in the audio - visual equipment on the two topics (to be evaluated by Audio - Visual in-charge	5 Marks
7	Open Air Session	20 Marks
8	Internship (Block Practice Teaching):-	50 Marks

C. <u>CURRI</u>CULAR ACTIVITIES

MICRO TEACHING

Firstly the teacher educator prepares and delivers micro teaching model session plan for a particular skill. The student teacher uses this technique for developing teaching skills. In this way pupil teacher gets insight of the micro teaching. The student teachers do use micro-teaching techniques for developing teaching skills. Each student gives 2 lessons per skill. The skills practiced are-

- 1. Introduction skill
- 2. Questioning skill
- 3. Explanation skill
- 4. Illustration with example
- 5. Stimulus variation and reinforcement skill
- 6. Black board skill
- 7. integrated

MACRO TEACHING

Simulated teaching practice is provided with a demonstration lesson plan by a teacher educator, integrating all the teaching skill for 30-35 minutes period. After the demonstration lesson plan, student & teachers are instructed to prepare lesson plans and deliver in class room. Teaching is aided with working models and effective teaching aids. They are guided to prepare various teaching aids so that the lesson can be made interesting for all the students.

PRACTICE OF TEACHING

Students were oriented for constructing time table and also in the use of teaching aids. To provide enriched experiences students were sent to schools affiliated to board of state. Simulated lessons were conducted. Use of Teaching Aids was organized from in many schools Special sessions are being devoted for the preparation of lesson plans and related requirements. Various aspects of lesson planning such as stating objectives in behavioral terms, division of content matter, using appropriate methodology, use of various A.V. aids, how to Present the content matter, dealing with the students, controlling classroom activities, using chalkboard etc. are discussed in detail.

As a preparation to actual practice in schools, microteaching sessions are organized. The faculty meticulously organizes intricate sessions of microteaching and students practice under their watchful eyes. Lesson planning is considered an important input in the preparation for teaching practice. Faculty members take good care of training students in lesson planning too. Before the students are sent to schools, for practice teaching, the College organizes confidence building programmes such as pedagogical content analysis, lesson planning, developing core teaching skills, through micro teaching under simulated conditions, observation of model lessons etc. Demonstration lessons are given by each subject teacher in the presence of other staff members and students. Every student observes 10 demonstration lessons. Each student teacher has to give 20 practice lessons in school by taking 20 lessons in Method of Teaching. All the lessons are supervised and checked by institutional teachers as well as school teachers and feedback is given to the students.

There are 7 schools engaged with us for practice teaching. Each student gives one lesson per day. The school teachers also observe lessons sometime in the class and give informal feedback to the Student teachers as well as teacher educators. During practice teaching, each lesson is checked before these are taught to students in the class and observed by the Method Master. The student teacher stays for the whole time in the school during practice teaching days and takes part in all activities of the school.

Practice teaching is carried out in four schools:-

S. N O.	Name of School	Location Rural/ Urban	Manageme nt (Governmen t / Governmen t Aided / Private Unaided)	Total no. of Students in school	Distance from the TEI	No. of student teachers deputed for internship
1	Govt. Senior Middle School Chhatrala Sitapura (Jaipur)	Rural	Govt.	300	5 K.m	35
2	Aadarsh Gaur Senior Secondary School , Badi Ka Bass , Sanganer (Jaipur)	Rural	Private	150	3 K.m	35
3	Cambridge Public Secondary School, Goner Mod, Vatika Sanganer (Jaipur)	Rural	Private	250	2 K.m	30

BLOCK TEACHING

A group of students are attached with the particular school which was selected by the institution. In that school, students acquire knowledge about the system of school and its management. They acquire knowledge about admission procedure, accounts, and

preparation of time table, debates, and competitions. They organize cum participate in co-curricular activities. On the other hand they also watch the teaching procedure with school teacher and each day of block teaching they teach two lessons per day in different classes in the presence of school teacher. Total time for block teaching is 10 days. As it is a process of handling all the activities and hurdles in managing the school, each activity and the hierarchy of the rules is followed by the pupil teachers.

FORMAT OF BLOCK TEACHING DIARY

STUIDENTS-TEACHER EXERSICE

SNO	DAY	WORK
1	FIRST DAY	PREPARATION OF ATTENDANCE, DAILY DIARY, TIME TABLE
2	SECOND DAY	PREPARATION OF STUDENTS DETAIL ,MAINTAIN SCHOLAR REGISTER,CASH BOOK
3	THIRD DAY	PREPARATION OF LASIURE ACCOUNT, TRANSFER CERTIFIACTE, PROGRESS CARD
4	FOURTH DAY	PREPARATION OF SALARY BILL,LIC POLICY PREMIUM,GENERAL PROVIDEN FUND
5	FIFTH DAY	PREPARATION OF LEAVE APPLICATION
6	FINAL DAY	PREPARATION OF CONSOLIDATED EVALUATION REPORT,ORGANIZE CULTURE ACTIVITIES

ORIENTATION PROGRAMME

Every academic session begins with the orientation programme. The teacher educators introduce the nature and structure of teaching subject options to the students. The students-teachers have an opportunity in the programme to share their views, to make quires and discuss their point of view regarding the course structure and schedule. In this programme, an intimate and

cordial relationship develops between student teachers and teacher educator. It facilitates the institution to judge the knowledge, needs and skills of student-teachers

A teacher is a reflective practitioner. The continuous cycle of action reflection is an integral part of a teacher's life. In tune with this philosophy, students took up Action research based projects. These were carried out on various topics ranging from issues faced by the student teachers during their practice lessons to evaluating the B.Ed. Course.

TUTORIAL & REMIDIAL PROGRAMME

Tutorial sessions were conducted throughout the year remedial programme was also spread out the academically weak students were identified by the staff on the basis of formative evaluation which is an integral part of the curriculum. These students were given practice tests and feedback was provided to help them overcome their difficulties.

D. EXTENTION ACTIVITIES

A cleanliness campaign around college locality i.e. (VATIKA) was organized. The purpose of cleanliness drive was organized create social awareness among people and make them responsible about beautiful earth and nature

PLANTATION DAY

Plantation day was celebrated on 3rd September 2013 by the students of B.Ed. Plantation Programme was conducted in order to create awareness about the importance of trees in our life.

TEACHER'S DAY

Teacher's Day is celebrated throughout the world, year by year. In DTTC Teacher's Day was celebrated with great joy and energy. Students welcome the teacher with bouquet and recites songs and poems in the honor of their teachers.

ART & CRAFT COMPETITION

An educational trip was organized in D.T.T.C on 16th November 2013. All the students and teachers gathered at college by 06:30 AM, which was then followed by attendance taken by Mr. Pradeep Sharma.

An Inter-House "Art & Craft Competition" was held in D.T.T.C. on 21.10.2013 to inculcate the habit of innovation and competition among the students. The students were earlier informed about the topics. At the day of competition the environment of D.T.T.C. was full of excitement and enthusiasm

NATIONAL SEMINAR

One day National Seminar was organized by Deepshikha Teachers Training College, Jaipur on 27-28 November, 2014. The main theme of the seminar was "Right to Education Act-Problems & Challenges".

E. CO-CURRICULAR ACTIVITIES

CELEBRATION DAY

INDEPENDENCE DAY

As we all know that on 15th Aug 1947, India got freedom from the rule of Britishers. Every year we celebrate Independence Day in our college campus. So, this year the Independence Day was as important for us as every year.

At 10:00 am our chief guest reached in the college campus & we all gathered in our college ground for the flag hosting. As Mr. Sirohi pulled the rope of flag, National Anthem was started and we all sang in the respect of our country.

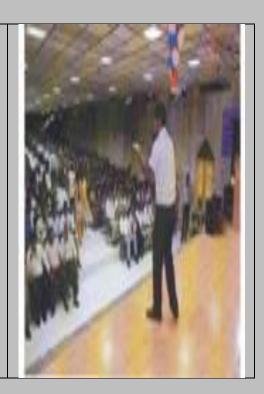

REPUBLIC DAY

Republic Day is indeed a day of great pride and honour for Indians everywhere. Modern College of Professional Studies celebrated Republic Day with full zeal and spirit

WOMEN DAY CELEBRATION

Women's cell has started functioning at D.T.T.C College, Mohan Nagar with effect from January 2013 with primary role of knowledge production and transmission through teaching research. The centre also fulfils several relate and complementary roles for the academic community and for activities, policy makers and policy implementers in terms of sensitization in women's concerns.

FAREWELL

A farewell party was organized by the students of B.Ed. in college premises. The main attraction of the programme was the performance of band group. There were electric dance performance by the students of B.Ed. Principal Dr. Chetna Dixit concluded the farewell with her message and encouraged the students to become better human being and wished them luck for their future endeavors.

CULTURE ACTIVITIES

DEEPSHIKHA TEACHERS TRAINING COLLEGE

EXCURSION

An educational trip was organized in D.T.T.C on 10 MARCH, 2015. All the students and teachers gathered at college by 06:30 AM, which was then followed by attendance taken by Mr. Praveen Sharma. Educational visits were organized to provide experiential learning to the students.
