## About College

Deepshikha Teachers College is a thoughtful response to a critical need for excellent and relevant education in a traditional, innovative and creative framework. Our journey is more than a decade long since its inception in August, 2015 under the aegis of Deepshikha Education Society. The mission of society is concerned with conscious effort to attain academic credentials, foster industry academic collaborations and broaden the research base without losing sight of the values which are needed to be inculcated in the future citizens.

Deepshikha Teachers Training College has experienced professors and outstanding educational experts from various fields, enabling the college to realize the present needs of the learners. The culture of college is compatible with the scientific administration system. It is among one of the best educational institutional groups in India.

The vision of college is to install a sense of responsibility among the students to participate in citizenship duties and strive towards common welfare to the overall development of the students through imparting quality education.

Deepshikha Teachers Training College aims at maintaining a high academic standard to equip the students with a profound knowledge and to make them think in terms of achieving great heights in education. The mission of college is to create an atmosphere conducive to learning and instilling a high degree of ethics. The pedagogy combines lectures cum discussions, role playing, self-learning, projects and independent research. Emphasis is given to assimilating theoretical knowledge with practical experience which enriches the academic environment.

Further, Deepshikha Teachers Training College is one of the units of the Deepshikha Education Society, which has a number of colleges. Since its inception, the Society has widened its horizons and is running various colleges.

## *From the Desk of Chairmen*

**Dear**

**Greetings!!!!**

I welcome you to Deepshikha Teachers Training College . Our group has a reputation of providing quality education at the same time, maintaining a high standard, Right from a day, a student becomes part of the Deepshikha College family. We make sure that every effort is put into providing the best education and, over all, personality development and 100%. Campus education. Deepshikha College, with its motto to excel in everything, is fully guarded to meet the varied needs of society by constantly upgrading the curriculum, faculty and the infrastructure.

Education famous darkness and makes life brighter forever. Education makes people polite , increases ability and gives naturalness

***Sh.Prem Surana***

***Chairman,  
Deepshikha Kala Sansthan***

*From the Desk of the President*

**Dear**

**Greetings!!!!**

I welcome you all to Deepshikha Teachers Training College. We are going to start a new academic session in two years. The Deepshikha College vision brings a global prospective to all its activities areas . We believe in Academic Repellent personal values, Deepshikha Teachers Training College has constantly endeavor to grow and consolidate its global presence.

I personally believe that at present time, looking in to the types of computation, knowledge is the only big consideration for keeping you ahead with edge over others. Deepshikha Teachers Training College always tries to provide the best faculty with at par to the vision and restore culture and values and develop the students to serve the industry with devotion.

**Dr. Anshu Surana**

*Preside*

## *From the Desk of Director*

I honor and pleased to invite you to our Teachers Training College that we will share parental, moral and social values to make our future bright and that we will give some.

Education famous darkness and makes life brighter forever. Education makes people polite, politeness increases ability and gives naturalness. The Society established the college with missionary spirit for the achievement of the following goals & objectives.

1. Recognition of education as one of the pious obligations of human society towards the next generation.
2. Promotion of capabilities for in crusting national values and goals as shrived in the Indian constitution.
3. Activation of prospective teachers to bring social & cultural awakening.
4. Uplifting of children belonging to socially disadvantageous classes, backward areas and the economically Weber Section of the Society.

*Director*  
*Deepshikha Kala Sansthan*

## *From the Desk of the Principal*

*Education is the prime need of humans. The fabric of civilization, the groundwork of humanity towards progress and development, the creation of beautiful and good things, the invention and discovery that characterize man's achievement, the making of a world where reason and good sense prevail, the innumerate visions of a human society based on peace and understanding are all to education. We can live without food and water, but a civilized society with its manifold cultural configurations cannot survive without education. Deepshikha B.Ed. College is aimed at providing a favorable educational environment for teaching, learning and to developing the competence of teacher trainees so that they can lead a successful life.*

***Prof. (Dr.) Rita Bisht  
Principal***

## *Our Coordinator*

It gives me immense & learning that Deepshikha Teachers Training College successfully completed the journey of its inaugural session.

Becoming an effective leader is not an easy task. It needs practice of dedication, hard work, honesty, truthfulness, boldness, incidents, concern for others and other like qualities.

John c. Maxwell States: - "the higher the level of leadership people want to reach, the greater the sacrifices they will have to make".

So, well, all of us individually and coordinately work to inculcate such noble qualities in the young learners.

*Coordinator*

*Mrs. Geeta Sharma*

***"A leader is one who sees more than others see, who sees further than others see and who sees before others do"***

## **Mission**

- Serving humanity.
- To prepare the teacher capable of responding to to global social demands and meeting the challenges in education.
- To address the teaching learning process with ICT and value embedded education in the context of modernization and social change.
- To address the ever emerging issues and problems of school and teacher education and discover the remedial measures.
- To ensure the contribution of all stakeholders in the all pervasive sustainable development of society.

## **Objective**

- To recognize, promote and develop the capabilities and universal values in students, teachers are needed for the cohesion and welfare of society and the nation.
- To make aware, inspire and enable the student teachers to integrate the ICT with ancient Indian educational philosophy for a quality academic environment.
- To stimulate, educate and enable the student teachers for excellence in teaching, learning, research and innovation.
- To develop attitude, competence and core skills essential to teaching the learning process among the student teacher

## **Vision**

To become the centre of academic excellence in the area of teacher education programme by providing a quality teacher education programme at par with the national and international standards to the rural youth, inculcating in them our culture, heritage and values along with complete education.

## General Rule and Regulation

Keeping in view the aims and aspirations of Deepshikha B.Ed. College of Education certain rules and regulations have been framed to be strictly followed by trainees. These rules have been formulated not to bind the trainees within the premises, but to make them understand the value and standard of discipline, which, when, followed meticulously by the trainees, helps them to emerge into a more determined, matured and knowledgeable individual. A full hearten support from our trainees and guardians is thus solicited.

1. Students shall strictly comply with the rules and regulations of the college issued from time to time relating to their studies, examination conduct and discipline.
2. The students, who secure admission on the basis of a false certificate/marks sheet or on the basis of any wrong presentation of facts or illegal means, shall be summarily cancelled and all fees paid by him/her shall be forfeited. Legal action shall also be taken against them.
3. Candidates are required to enclose, along with their application, an affidavit before a Notary Public stating that all information given by them is true.
4. Applications accompanied with requisite documents/enclosure received after the last date shall be summarily rejected.
5. No refund of fees will be made on withdrawal of admission under any circumstances.
6. In case the candidate fails to submit the required documents, admission will be treated as cancelled and no request for a refund of fees will be entertained under any circumstances.
7. If the applicant is employed, employer 'No objection certificate' with proof of one year's leave must be submitted during the time of admission.
8. Trainees can avail college facilities only after the course commences and only till the course is completed.

## *Library Resources*

### **LIBRARY TIMINGS & RULES**

The Library remains at 9.00 am to 5.00 pm from Monday to Saturday and from 9.00 am to 2.00 pm on Saturday. We offer services around the year by keeping their doors open to the readers.

- All the students, teachers as well as the non-teaching staff members are members of the library.
- The Librarian, at the discretion of the Principal, may allow others to make casual use of the library.
- Before entering the library, personal belongings of the readers must be kept at the entrance.
- A librarian may recall any books from the borrower at any time after issue.
- Members are responsible for any damage caused by them to the books or other property belonging to the library and shall be required to pay the penalty imposed upon them by the Librarian.
- Upon any infringement of the library rules, members shall forfeit the privileges of admission and membership of the library.
- A borrower shall replace a book if it is lost while in custody.

- If the borrower fails to replace a lost or damaged book within a month from the due date of its return, he/she pays the library the full cost of the book.
- A person who loses or damages library books repeatedly shall be debarred from using the library.
- Reference books, journals and dissertations etc. shall not be issued.
- In special cases, the Librarian, at his/her discretion, may issue a reference book for a short period.
- Using the library and borrowing books from it, is a privilege given to the members. Any misuse of this or violation of any rules or codes may lead to the cancellation of this privilege.
- The use of mobile phones in the library is prohibited. Phones should either be switched off, or set to silent ring mode. Failure of these requirements may result in a fine and/or exclusion from the Library.
- Marking of books, dog-earing of pages and soling of books may deprive a member of his/her privilege.
- Members may give suggestions on acquisition of books, journals etc and on all round improvement of the library. Complaints, if any, submitted to the Librarian in writing for proper action. Library rules may be amended or altered as and when necessary. For the final examination, the students are privileged to get the books issued on security that is refundable. After getting the no-dues cleared by the library, the students can get the security refund from the library itself.

**BOOK**

The institution has book bank faculty. The book bank facility helps needy students. They are provided with a complete set of text books as per the syllabus. The students can procure books for the entire session on the recommendation of the library committee.

**Chief librarian  
Mrs. Sonia Gaur**

# INFRASTRUCTURE

## *Language Lab*

The Language lab is set up in the college because it is not only a place where learners perform language experiments, but it is a special lab where language experiments can be practiced by speaking & listening with the help of sound equipment. It recognizes the individual differences and language aptitude of a learner. It is a self-learning device, designed in such a manner that a student can practice a carefully produced pattern of drills. The college is well equipped with microphones, LCD projector with screen, CPU & many CD's to learn & speak English fluently.

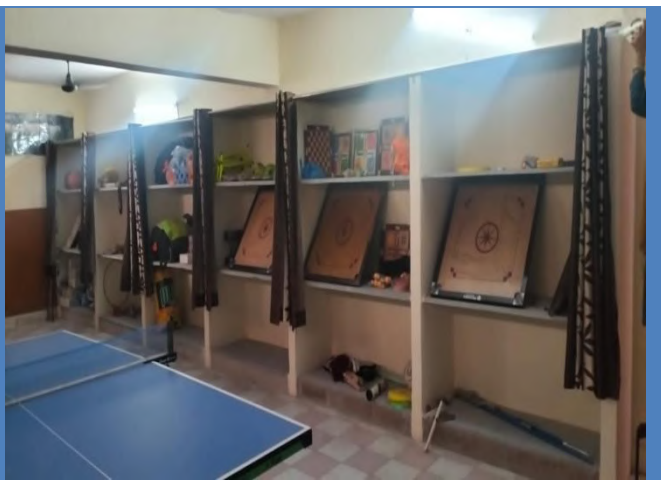

## *Art & Craft Resource Centre*

A well equipped art & craft resource centre is established in college because canvas is the mode to express the inner feelings of students. It is said that colours speak for themselves. Art is the soul of life; creativity is cultured, with opportunities extended to the students in many forms. All the possible facilities & opportunities are expended to our students to engrave their minds & creativity.

## *Health and Physical Resource Centre*

The college has a fully equipped health & physical resource centre, It provides ample opportunity for students to indulge in indoor & outdoor sports activities. The students can play indoor games like chess, carom-board & outdoor games like badminton, volleyball ball etc. Our mission is to help, provide students with adequate resources to excel in sports by creating an environment, which imbibes the ethics of sportsmanship. The College aims to develop professional competence through physical, and emotional development of students.

## *Classroom Facility*

The Institute has spacious architecturally designed lecture and tutorial rooms. It also has glossy chalkboards and flannel boards all intact, furnished with adequate modern Furniture.

### **Classroom Ethics:**

- ★ Position for teaching learning and Research
- ★ Respects for students
- ★ Deeper understanding
- ★ Clarity of expression/thought
- ★ Fluency of Language
- ★ Discipline

## *Psychology Centre*

In any scheme of study, there should be a close integration of theory with practice. We can know such things about them through their measurements & this measurement is possible through relevant psychological tests. The college has a separate Psychology Laboratory which has sufficient psychological apparatus, tests, transparencies and CD's which are related to various aspects of human development and teaching learning process for conducting psychology experiments included in the B.Ed. Syllabus.

## **SCIENCE & MATHS RESOURCE CENTRE**

A well equipped, spacious laboratory with a working model to develop a scientific temper charts and specimen. The lab is child friendly and provides a conducive environment. It performs experiments and works on projects. Modern well-ventilated laboratory is provided with a safety device. A child-friendly Lab. All experiment & project work is monitored by subject experts

## **COMPUTER-LABORATORY**

Today's era is computer the era. We all know the importance of computers in our daily life. Almost all the departments work with the help of computers. A well equipped computer lab with facility of internet is available for the students to make them eligible to handle the computer for their technical development

## **E-T-LABORATORY**

The educational technology lab is well equipped with all types of multimedia equipment standing from epidiascope to LCD projector, the lab is recently upgraded with the interactive device with which normal bored can be converted into a touch screen . The aspirant teachers are trained to use the multimedia to the smallest, hence they can be effective in the class room.

## **SOCIAL-SCIENCE LAB**

In this lab, charts, models, globe, pictures, scrap books, model lesson plans, time lines, maps, atlas, rain gauge, measuring instruments, wind wane, drawing material, slides and transparencies of different geographical and historical places are available.
